

BLACK IRON

GRILL & STEAKHOUSE

The Black Iron would like to welcome you to enjoy its 100% BC Wine List. We pride ourselves on using the best local products, and our wine list is no exception.

The Okanagan terrior varies from vineyard to vineyard in the valley, yet as a whole is some of the best growing conditions in the world. Our hot days and cool nights make us unique and favourable compared to many of the ‘top world wine regions.’

We have compiled an assortment of wines that offer you a snapshot of the Okanagan’s best wines. Wines are selected on merit first and foremost. It has been widely said ‘Life is too short to drink bad wine.’ We agree.
